

Charcoal-grilled Bal Spring Pig

Yeast pork that grew up eating in-house piggery “mypork” is enjoyable.

Please get try once the delicious pork particular about breed, feed, fattening.

[Shop commitment]

Yeast pork 「my pork」

The pig which was brought up only with yeast bait slowly and carefully smells faint with refreshing grease makes a good match with either red or white wine.

First of all, please eat as it is.

Light grease and a faint fragrance spread in a mouth.

When sprinkle a ginger source or the truffle soy sauce which is stewed for preference slowly and carefully, you will have a different taste again.

Also, we offer more than 60 kinds of wines to match the meat.

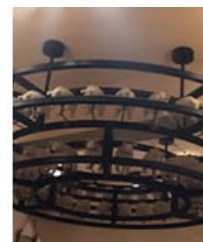

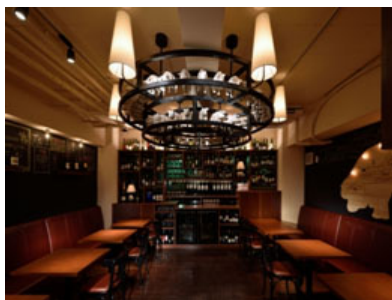

Carefully designed restaurant from the entrance

From the entrance, we try to make comfortable design where even a lady can enter freely. The restaurant becomes the space where you can enjoy Bal style light meal to decent meals with important person.

As you can see the interior decoration, and even a lady can easily enter.

Stylish interior will create an important time of everyone. The only-one pig chandelier in our restaurant is Worth seeing.

Hospitality

We will try our best to serve our customers with a heart of the hospitality from cooking to serving as able to satisfy your demand.

We perform the cooking with a young sensibility, and serve customers with hospitality in mind. In the case of anniversary, we will paint glass windows for free.

**Warm welcome for the Farewell&welcome party, · ladies party! There is also charter plan.
We sincerely looking forward to your visit.**
